TRADE**

**SPECIAL  
RUNOUT  
PRICE!**

**\$299**

### FEATURES:

The Tradequip 1220 "Made for the Trade" Strut Spring Compressor Stand has specially designed upper jaws to adjust up-down and front-back direction for fixing the spring tightly, safely, and securely.

Specially designed for dismantling macpherson strut shock absorber assemblies, applicable for most cars.

Adjustable base holds the strut leg very securely and it's very simple to dismantle.

Lower support clamp mechanism prevents the strut spring assembly from moving downward and cause the strut leg to bend and deform.
