

3020 Toolmakers' Grade Stainless Steel Squares

3020 Toolmakers' Grade Stainless Steel Solid Squares

This high quality toolmakers' square offers squareness accuracy to .00020" (0.005mm) for every 6.0" (150mm).

It features stainless steel construction on both the blade and the beam. Blade and beam are hardened, ground and lapped, with the beam machined at the inner corner for clearance of burr or dirt.

3020 Squares are available in four sizes, 3" (75mm), 4" (100mm), 6" (150mm), 12" (300mm) and as a set of all four sizes.

3020 Toolmakers' Grade Stainless Steel Squares
